# PAYMENT

After your booking is confirmed, the client is required to deposit an additional 30% of the total amount at least one month prior to arrival, or as agreed upon during prior correspondence. The remaining balance must be paid upon your arrival in Nepal. Payments can be made via cash or credit card. Please note that credit card payments may incur additional charges as levied by the bank. Clients are responsible for ensuring their credit card has sufficient transaction limits. In some cases, cards may not be accepted or may not support the required transaction amount, so it's essential to check with your bank in advance and confirm all necessary details from your country of origin. All bank fees or wire transfer charges for the final payment are the responsibility of the client. We do not impose any additional charges on transferred funds. Please ensure that all payments are made only to the official account details provided by us during correspondence. We are not responsible for any funds lost if deposited into unauthorized or incorrect accounts.
